Sir:

INTRODUCTORY COMMENTS

Remarks/Arguments begin on page 2 of this paper.

REMARKS

Regarding the Statements of Reasons for Allowance dated December 19, 2006, July 7, 2006, and October 4, 2005, applicants note that the elements listed in the statement do not appear to be present in combination in any allowed claim. If the position of the Examiner is that the listed elements must be present in combination in each claim for each claim to be allowable, the Examiner is respectfully requested to withdraw the allowance and to present a new non-final rejection substantiating such a finding.

Accordingly, in view of the above remarks, applicants believe the present application to be in condition for allowance and respectfully request passage to allowance of the application.

If the Examiner believes that contact with applicants' attorney would be advantageous toward the disposition of this case, the Examiner is herein requested to call applicants' representative at the phone number listed below.

The Commissioner is hereby authorized to charge any additional fees associated with this communication or credit any overpayment to deposit Account No. 50-3577.
